

November 30, 2009

Hi Martin,

I just want to say THANK YOU again for the amazing job Ten Souljers did at our Corporate Christmas Party on Friday, November 27th. The following morning, I had messages from multiple employees at Elastic Path commenting on what a great night they had dancing and how fabulous your band was. At the office on Monday, I already had some requests to book Ten Souljers for our annual event next year as well. You were all fantastic.

My entire overall experience with Ten Souljers was great; especially the pre-show communication. It was really a "worry-free" experience and by the morning of the 27th, I had complete confidence that the night was going to be perfect. The band was even able to accommodate a last-minute request (literally the night before) to learn and play specific background music during our Executives' interactive "speech".

Please pass on my appreciation to the rest of the band for their fantastic performance and know that we will *gladly* recommend you to anyone who is looking to use your services. Our CEO, Harry Chemko, loved Ten Souljers and spoke very highly of you, saying that the band was "the best part of the night".

Thank you again for making our Holiday party so memorable.

Sincerely,

Jannelle Drinkall
