Dear Martin,

Thank you for the fantastic performance of the Ten Souljers at the Commodore Ballroom on May 27<sup>th</sup>. The feedback from the over 600 participants who attended our reception, which was part of the *ICEF Vancouver Workshop*, was very positive. Everyone just loved the show, the selection of music and your energy. Our guests came from 55 countries and six continents, spanning all age groups - nonetheless you managed to engage and impress everyone. Not only did you get the crowd dancing, but the jazz music during dinner was also beautiful!

We really appreciated your patient feedback and careful preparation in the run-up to the event as well as your readiness to accommodate all of our requests. This has made it so much easier to prepare the event and it has been a pleasure working with you.

It was a perfect evening and thank you once again for all your efforts to help us make this a success!

With kind regards,

Isabel Vogt
