To Whom It May Concern:

Re: Ten Souljers

I am pleased to write this letter in recognition of Ten Souljers' excellent performance at the 18th annual For Children We Care gala on February 2, 2013.

The For Children We Care gala is an annual event organized by BC Children's Hospital Foundation and caring members of the Chinese-Canadian community. Nearly 1,000 distinguished guests get together every year at the black-tie-optional event for a night of fine dining, live entertainment, dancing and a silent auction to raise funds for BC Children's Hospital. Over its 19-year history, the gala has raised over \$11.7 million for areas including genetic and oncology research, construction of the hospital's mental health building and, most recently, the Campaign for BC Children – a \$200-million initiative to support the construction of a new BC Children's Hospital.

I had the pleasure of working with Ten Souljers for the first time on the 2013 gala and found bandleader Marty Robson, and every member of his group, to be truly professional – not only during the performance but also throughout our pre-show communication and post-event followup. Ten Souljer's receptiveness to our input and willingness to include song choices that would appeal to a mostly Asian audience made the night a genuinely enjoyable one for our guests. We have received a lot of positive feedback from our gala's attendees who let us know that they had a wonderful time.

It has been a delightful experience partnering with Ten Souljers. I would not hesitate to recommend them for future events.

Sincerely,
